

JOHN MARTIN
Vocals and Guitar
Southern Pines, North Carolina

My influences are the music of Frank Sinatra, the Beatles, and the bossa nova rhythms of Antonio Carlos Jobim. I play standards, classic 60's hits, and bossa nova.

I am a regular participant in the monthly Weymouth Musician's Jam and play at the Southern Pines Farmers Market. In the past year I have also performed at a Casino Night at the Fair Barn in Pinehurst, a Christmas home tour in Southern Pines, and an all school reunion in Pennsylvania.

Let's go back to the day and have some fun enjoying "music without an expiration date".
